

I'VE LEARNED THAT.....

(Author: Unknown)

- **I've learned that we are responsible for what we do, no matter how we feel.**
- **I've learned that sometimes when I am angry I have the right to be angry, but that doesn't give me the right to be cruel.**
- **I've learned that maturity has more to do with what types of experiences I've had and what I learned from them, and less to do with how many years I have lived.**
- **I've learned that it is not always enough to be forgiven by others, but sometimes you have to learn to forgive yourself.**
- **I've learned that just because two people argue, doesn't mean they don't love each other. And just because they don't argue, it doesn't mean they do love each other.**
- **I've learned that either you control your attitude, or it controls you.**
- **I've learned that you should always leave loved ones with loving words, it may be that last time you see them.**
- **I've learned that sometimes the people you expect to kick you when you are down, will be the ones who help you get up.**
- **I've learned that sometimes the people that you love most in life, are taken from you too soon.**
- **I've learned that you can't make someone love you. All you can do is be someone who can be loved, and the rest is up to them.**
- **I've learned that no matter how much I care, some people just don't care back.**
- **I've learned that it's not what you have in life, but what you give that counts.**
- **I've learned that there are people who love you dearly, but just don't know how to show it.**
