

MONEY, HAPPINESS & GOODNESS

(Author: Unknown)

When to stop making money, and how much is enough ?

A hundred thousand, ten lacs, hundred lacs, ten crores?

Out of thousand hectares of good farm land, you can consume only three quarts (of rice) daily; out of a thousand mansions, you only need eight square meters of space to rest happily at night.

So, as long as you have enough food and enough money to spend, that is good enough. You should live happily. Every family has its own problems.

Just **DO NOT COMPARE** with others for fame and social status and see whose children are doing better etc., but challenge others for happiness, health, enjoyment, quality of life and longevity.

DON'T WORRY about things that you can't change because it doesn't help and it may spoil your health.

You have to create your own well-being and find your own place of happiness.

As long as you are in good mood and good health, think about happy things, do happy things daily and have fun in doing, then you will pass your time happily every day.

One day passes **WITHOUT** happiness, you will lose one day.

One day passes **WITH** happiness and then you gain one day.

In good spirit, sickness will cure;

In a happy spirit, sickness will cure faster;

In high and happy spirits, sickness will never come.

ABOVE ALL,

Learn to cherish the goodness around... and FRIENDS..... They all make you feel young and "wanted"... without them you are surely to feel lost!!
